

2024 Annual Report

New Philadelphia Municipal Court

Memorial Municipal Building
166 East High Avenue
New Philadelphia, Ohio 44663

Memorial Municipal Building 1950

Prepared & Submitted by:
Judge Nanette DeGarmo Von Allman

February 19, 2025

Honorable Joel Day, Mayor of New Philadelphia
New Philadelphia City Council
Tuscarawas County Commissioners

Re: New Philadelphia Municipal Court 2024 Annual Report

Dear Madams and Sirs:

It has been my privilege and honor to have served my thirteenth year as Judge of the New Philadelphia Municipal Court, and to have been elected to another term in 2024. I remain committed to providing prompt, fair and impartial administration of justice.

In 2024, the Court handled a total of **7,202** cases, a decrease of 14.37% from the **8,411** cases handled in 2023. Although our caseloads are down, the complexity of the issues in those cases continues to present many challenges in dealing with crime directly related to substance abuse, mental health issues, and homelessness.

We continue to utilize programming to improve outcomes for individuals in the court system. The New Philadelphia Municipal Recovery Court (substance abuse), and Pre-Trial Supervision programs provide effective monitoring through our Probation Department, in collaboration with local law enforcement and mental health and addiction treatment agencies.

I presented training twice last year for law enforcement and other justice partners on the topic of Competency to Stand Trial and Not Guilty by Reason of Insanity at the Tuscarawas County Crisis Intervention Training (CIT). I also serve as a mentor through the Supreme Court of Ohio for newly elected Ohio judges.

Using Court funds, we replaced the obsolete police radios for our bailiffs and security officers. The new radios have MARCS frequency for statewide communication and notifications and allow our bailiffs to have a safer ability to communicate when out serving process.

We also used Court funds to add three cassette type HVAC units to three second floor offices to help alleviate humidity, and address cooling and heating issues. We also replaced the well-worn counsel tables and bailiff desks in two courtrooms.

The Court was able to get an additional fingerprint machine through a federal grant from the Ohio Attorney General's Office for our probation department. In 2023, the Court had purchased one using court funds to ensure that all necessary persons are fingerprinted if required. Under Ohio law, people charged with certain offenses are required to be fingerprinted and the prints are sent to the Ohio Bureau of Criminal Investigation. This is generally done when a person is arrested, but if they are not arrested and appear pursuant to a citation or summons, the Court must inquire and order the person to be fingerprinted. In 2024, we fingerprinted **141** individuals.

General Operations in 2024

The building housing the Court, which was constructed in 1950, continues to have significant problems including roof leaks, outdated (mostly 1950 original) plumbing and electrical issues, deteriorating floors and windows, and HVAC issues. The Court is facing immediate and costly remediation issues as well as the need for an in-depth evaluation in collaboration with the City as to future facility options for the Court.

In 2024, the Court remitted **\$987,152.36** to the city and county: **\$855,782.09** to the City of New Philadelphia, including special court funds, and **\$131,370.27** to Tuscarawas County, including Law Library and Public Defender fees.

The Court's records are available online at www.npmunicipalcourt.org. Visitors to the website can search open and closed case information, view the daily schedule, obtain information about the Court's operations, and pay financial sanctions on-line. In 2019, the Court added an "Active Warrants" page, which allows users to search outstanding active warrants. The website has been upgraded to make it mobile-friendly. All computer upgrades and maintenance are paid for with funds generated from court costs.

The Court continues to partner with Tuscarawas County Community Corrections and OhioAMS (Alcohol Monitoring Service) to provide grant supported enhanced drug testing services to probationers and program participants. Employees of OhioAMS conduct the drug screens and report results remotely to staff. In 2024, **3,016** urine drug screens were administered compared to **3,747** in 2023.

Recognizing the depth of competence and expertise among our own staff, we held 12 in-house staff training courses for clerks taught by me, our Magistrates and other staff on numerous topics applicable to court processes, operations, and specific legal topics. Those included an all-staff jury trial training in December in which Santa was tried by a jury on trespass and other charges.

Court staff, including Judge VonAllman, Magistrates, Court Administration, Bailiff/Security staff, Probation staff and Clerk staff obtained over **320 hours** of training/continuing education. Most of the continuing education is provided by the Supreme Court of Ohio Judicial College at little or no cost or is available on-line. Professional association conferences were also attended.

Magistrate Christine Weimer serves on the board of trustees for the Ohio Association of Magistrates as the First Vice President. She is also the Municipal Court Practice Chair which involves planning education for both Spring and Fall Conferences. Magistrate Weimer is a member of the nominating committee which involves vetting members to join the board of trustees. Magistrate Weimer is also part of the Ohio Judicial College Traffic Law and Procedure Committee.

Magistrate Weimer also works actively with the Judicial College of the Ohio Supreme Court to plan, develop, and deliver educational content for members of the judiciary. She is also

part of the faculty that presents education at the Supreme Court of Ohio for all new municipal magistrates that have been appointed by courts across the state.

The Court continues to operate the Municipal Court Work Program with New Philadelphia and Dover. Non-violent defendants can be sentenced to the program in lieu of jail days to perform general clean-up and seasonal tasks in the New Philadelphia downtown area, as well as Tuscora Park, Dover Park, Dover Burial Park and other public facilities maintained by the cities. **In 2024, 154 defendants were ordered to serve a total of 705 days on the work program. If those days had been served in the county jail, the cost to the taxpayers would have been \$80,736.60.**

The New Philadelphia Municipal Recovery Court, first certified by the Supreme Court of Ohio in 2015, was re-certified through the end of 2026. The Court receives a payroll subsidy through the Ohio Department of Mental Health and Addiction Services for program administrative costs.

The Court uses a state grant-funded Pretrial Supervision program to closely supervise certain defendants while they await trial. In 2024, **416** screenings were conducted in the jail, and **299** defendants were referred to Pretrial Supervision. 94% of defendants in the Pretrial Program successfully completed supervision and treatment requirements.

Municipal Court employees continued “**Casual Fridays for Charity.**” Staff who desire to dress casually on Fridays contribute \$2.00 each. Each month, a different charity is chosen by the staff. **In 2024, employees raised over \$700.00** which was distributed among various charities including: Cleveland Hope Lodge, Friends of the Homeless, Tuscarawas County Humane Society, New Philadelphia Rotary/Storybook Lane, North Carolina Hurricane Relief, Tusc Co. TNR Program, and FOP Lodge 4 Shop with a Cop.

In October, Probation Officers Mindy Craig and Bill Nedrow spearheaded a donation drive to assist those impacted by the North Carolina hurricane. Using the old fire station as a drop-off location, and with the help of the NPPD police and detectives, work-program participants and other community and city volunteers, a large trailer was filled to capacity with needed donations and delivered to a hard-hit community in North Carolina.

In closing, I wish to acknowledge the dedication and hard work of my entire staff. I would also like to thank all of you for your cooperation and support. I look forward to working together in the months and years ahead to make our community a better place for everyone.

Sincerely yours,

/s/ Nanette DeGarmo Von Allman

Judge Nanette DeGarmo Von Allman

The New Philadelphia Municipal Court

Clerk of Court Report

Territorial Jurisdiction

The New Philadelphia Municipal Court has territorial jurisdiction within the municipal corporations of New Philadelphia and Dover, and within Wayne, Franklin, Lawrence, Sandy, Sugarcreek, Dover, Fairfield, Warren, Auburn, York, Goshen, Bucks, and Jefferson Townships in Tuscarawas County.

Subject Matter Jurisdiction

Criminal Division:

The Court has jurisdiction over violations of any ordinance of any municipal corporation within its territory, and of any misdemeanor committed within the limits of its territory. The Municipal Court also has jurisdiction to conduct preliminary hearings and other necessary hearings in felony offenses committed within its jurisdiction in order to determine if there is probable cause to hold or recognize the defendant to appear before the Court of Common Pleas.

Civil Division:

The Court has jurisdiction in civil matters in all cases in which the amount claimed by any party, or the appraised value of the personal property sought to be recovered, is less than fifteen thousand dollars (\$15,000.00). The Court also hears civil appeals of various orders of the Ohio Bureau of Motor Vehicles, eviction actions and other landlord/tenant disputes, and Small Claims cases where the amount in controversy does not exceed six thousand dollars (\$6,000.00).

Cases Handled and Terminated in 2024

The New Philadelphia Municipal Court handled **7,202 new cases in 2024**. It should be noted that this figure does not include the number of cases that are reopened each year due to motions to revoke community control sanctions, motions for contempt of court due to failure to comply with court orders, and the collection of civil judgments through garnishments, attachments, and debtors exams.

Trials

In 2024, the Court held **427** bench trials, and 32 Small Claims trials.

CILOCS

Contributions in Lieu of Community Service: Pursuant to a change in Ohio law in 2011, the Court may permit a defendant who is sentenced to a term of community service to make a reasonable contribution, instead of working the service hours, to the General Fund of the County, Municipality, or other local entity that provides funding to the Court. If more than one entity provides funding, the contribution is disbursed in proportion to the amount of funding provided. We call this program CILOCS.

In 2023, a total of **\$130,649.96** in CILOCS funds were received. Recognizing the expanding responsibilities in delivering court services in probation, declining revenue in the Probation fund, physical needs of the 75-year-old Municipal building, and the work involved in administering the CILOCS program, the New Philadelphia City Council passed a Resolution in 2016 to designate the CILOCS funds for the Court's exclusive use. The Resolution was amended in 2018 to return to the City of New Philadelphia a 20% contribution toward the grant match requirements for the Victim's Advocate if necessary.

Payment Plans

Defendants who request additional time to pay fines and court costs are assessed a \$25.00 payment plan fee. Offenders who owe the court money may be granted time to pay, after which the delinquent balance is forwarded to the Court's collection agencies.

Collections

The Court follows all state, federal and constitutional guidelines in assessing and collecting fines, costs and fees and determining each defendant's ability to pay. Defendants are advised in writing of their rights and the Court's procedures regarding the imposition and collection of financial sanctions.

By adopting a local rule in 2013, the Court modified how payments made by defendants are applied. Payments are applied first to local court costs, then to reimbursements, then to restitution, and then to fines.

We have referred certain cases for collection to **Capital Recovery Systems** since 2012. This service is at no cost to the Court and resulted in the collection of **\$13,871.02** in 2024 for fines and costs that may have otherwise gone uncollected. Since inception, Capital Recovery Systems has collected **\$647,884.62** for the Court.

In December 2017, the Court entered into a Delinquent Debt Collection Agreement with the **Ohio Attorney General's Office** as an additional means of collecting funds owed to the Court. This service is also at no cost to the Court. The Attorney General's Office collected **\$175,907.26** in fines, fees, and restitution in 2024. Since inception, the Ohio Attorney General's Office has collected **\$1,220,881.09** for the Court.

Court Receipts and Disbursements

Receipts for the Court totaled **\$1,768,843.38 2024** compared to **\$1,829,438.54 in 2023**, a decrease of 3.31%. This amount excludes the balance on hand as of January 1, 2024.

Receipts of the Criminal and Traffic Division totaled **\$1,194,420.71**. This represents fines, court costs, interest, bonds, and fees.

Receipts of the Civil Division totaled **\$574,422.67**. Civil receipts include filing fees, deposits for other costs, bonds, garnishments, judgments paid, and interest.

In 2024, the Court remitted **\$987,152.36** to the city and county: **\$855,782.09** to the City of New Philadelphia, including special court funds, and **\$131,370.27** to Tuscarawas County, including the Law Library and Public Defender fee.

The Court's criminal and traffic disbursements are divided among the various political subdivisions included within the territory of the Court. Civil disbursements are divided pursuant to statute.

A complete balance sheet is attached as an appendix to this report.

2024 Traffic and Criminal Disbursements-\$1,194,420.71:

2024 Traffic and Criminal Special Court Funds Disbursements - \$602,531.73:

2024 Civil and Small Claims Disbursements - \$574,422.67:

Some of the funds received and disbursed by the Court are held by the Court temporarily for others. For example, wage garnishments received on behalf of a creditor. For this reason, the bank accounts of the Court will always reflect a balance on hand amount.

2024 Civil and Small Claims Special Court Funds Disbursements - \$84,193.88
THESE FUNDS ARE RECEIVED FROM COURT COSTS

Specific Funds

Computer Fund

Current legislation allows the Court to collect additional court costs that are deposited into specific funds for the computerization of the Court. This money can be used to purchase and maintain computer systems for the clerk's office. The money can also be used to provide computerized legal research for the Court. All computer paper, supplies, and a portion of salaries/benefits for computer staff can be purchased or paid for through this fund.

Probation Fund

A monthly probation supervision fee is assessed to all defendants admitted to a term of probation. These fees are then deposited into the Probation Fund. This fund is used to provide necessary equipment and pay expenses for the Probation Department, including salaries.

Special Projects Fund

The purpose of this fund is to acquire and pay for special projects of the Court including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, mediation or dispute resolution services, the employment of magistrates, the training and education of the judge, acting judges, and magistrates, and other related services. The Court, by local rule, charges a Special Project fee on the filing of each criminal case, civil action or proceeding, or judgment by confession.

Domestic Violence Fund

If a municipal court offers a special program or service in cases of a specific type, the municipal court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The New Philadelphia Municipal Court has created a Domestic Violence Fund from a fee assessed on all domestic violence filings. This fund is utilized primarily to pay for staff training on domestic violence topics.

Dispute Resolution Fund

The Court operates a Dispute Settlement Program to resolve certain cases without a trial. Income tax and bad check cases may proceed through the Dispute Settlement Program. The purpose of establishing the Dispute Resolution Fund is to cover the cost of the program including personnel costs.

Criminal Diversion Program Fund

The Criminal Diversion Program Fund was created in conjunction with the Criminal Diversion Program (CDP). Eligible defendants pay a diversion program fee which is used, in part, to meet personnel and other costs related to administration of the program.

Payment Plan Fund

By local rule, the Court created a Payment Plan Program to promote payment compliance. Criminal or traffic offenders may delay payment of fines and costs up to 30 days or enter into a payment plan. The fee to participate is used to defray the costs of the program.

Indigent Drivers Alcohol Treatment Fund (I.D.A.T.)

Pursuant to state law, when individuals are charged with or convicted of operating a vehicle under the influence of drugs or alcohol (O.V.I.), or for refusing a breath test, their driver's license is suspended for a period of time. After the suspension is over, they must pay a \$475.00 reinstatement fee to the Bureau of Motor Vehicles. A portion of the reinstatement fee is directed to the I.D.A.T. fund administered by the Ohio Department of Alcohol and Addiction Services. In addition, H.B. 562, in July of 2009, imposed a \$10.00 court cost on all moving violations. \$1.50 of these increased costs also goes into this fund. On our balance sheet, this includes funds listed as "I.A.T.C."

By law, the municipal court is required to have an I.D.A.T. fund. These funds are used to pay for the cost of alcohol and/or drug addiction treatment if a defendant is ordered into treatment and cannot afford to pay the cost of attending the program. In 2005, the state legislature amended the I.D.A.T. statute to allow courts to utilize these funds to pay for alcohol monitoring anklets for defendants in treatment. **In 2024, these funds were used for treatment and/or anklets for 7 indigent O.V.I defendants.**

Indigent Drivers Interlock and Alcohol Monitoring Fund (I.D.I.A.M.)

A state law which became effective in September of 2008 increased mandatory O.V.I. fines by \$50.00. In addition, license reinstatement fees were increased by \$50.00. These fines and fees are deposited into this fund which the court was required to establish. These funds are to be used exclusively to cover the cost of immobilizing or disabling devices, including ignition interlock devices and alcohol monitoring devices for indigent OVI offenders as ordered by a judge. A surplus can be declared in the fund and transferred to the I.D.A.T. fund. **In 2024, 29 indigent OVI defendants received assistance to pay the cost of alcohol monitoring devices or ignition interlock devices using this fund.**

Contributions in Lieu of Community Service Fund (CILOCS)

In 2011, Ohio Revised Code Section 2929.27(B) was enacted as part of Substitute House Bill 5 which deals with sentencing in criminal and traffic cases. It allows an offender who has been sentenced to a term of community service to request that the court modify the sentence to authorize the offender to make a reasonable contribution in lieu of community service. These CILOC funds, by statute, are required to be deposited in the general funds of the Court's funding authorities, which are the City of New Philadelphia and Tuscarawas County. On March 28, 2016, New Philadelphia City Council enacted Resolution 14-2016 for the purpose of supporting, in part, the City's obligations under O.R.C. 1901.36 to provide the Court with suitable facilities and to assist the Court with increased probation supervision costs associated with local increase in drug addiction and related criminal activity. The Resolution directed that funds collected under O.R.C. 2929.27(B) be deposited into the CILOCS fund, for the Court's exclusive use as needed. Since inception, the Court has used the funds for a variety of purposes including Probation Department funding, building improvements, and enhanced drug testing services. The Resolution was amended in 2018 to return to the City of New Philadelphia a 20% contribution toward the grant match requirements for the Victim's Advocate if necessary.

Probation Department Report

The Probation Department is staffed by Chief Probation Officer **Leslie Miller**, Probation Officers **Mindy Craig, Brian Mathews, and Bill Nedrow**. **Wendy Jones** resigned her position with the Court after 26 years of service. Wendy made significant contributions to the Probation Department's growth and operations. She has continued her public service having been elected as the Tuscarawas County Clerk of Court. Following her resignation, Bill Nedrow was hired as a probation officer. Bill brings a wealth of experience to the department, having previously served as a Dover Police Officer for 25 years.

Probation Officers meet regularly with defendants on their assigned caseloads to ensure that all court orders are followed. Defendants on Community Control Sanctions are sentenced to a term of incarceration in the county jail. All or part of the jail sentence may be suspended and the defendant is then placed on Community Control Sanctions. All defendants are required to be law abiding (no new criminal or serious traffic offenses) and to pay all financial sanctions including probation fees. Other terms of Community Control Sanctions will include, depending on the particular offense, to be drug and alcohol free and submit to regular, random drug and alcohol testing; complete substance abuse, anger or mental health counseling; pay restitution to victims; complete an OVI Driver's Intervention Program; and, complete on the Municipal Court Work Program, or Inmate Work Program. Probation terms vary in both duration and conditions. The majority of probationers are supervised for a year or more.

The Probation Department is also responsible for conducting and preparing pre-sentence investigation reports for defendants awaiting sentencing.

The Probation Department also provides programming and supervision for defendants placed on Pretrial Supervision, Criminal Diversion, and the New Philadelphia Municipal Recovery Court. In addition, Probation Officers monitor cases in which defendants are not placed on a term of probation but who are required to report to jail, perform community service, or complete the Municipal Court Work Program, Inmate Work Program or Driver's Intervention Program.

The Probation Officers obtained over **100** hours of continuing education hours in 2023. Training included: Domestic Violence, Protection Orders, Specialized Docket Best Practices, De-escalation Skills, Behavioral Health Fundamentals, and Risk Assessments.

Probation Statistics:

The Probation Department added **425** defendants to be monitored on Community Control Sanctions in 2024. On January 1, 2024, the probation department supervised **558** active individuals. On December 31, 2024, there were **505** individuals on active supervision.

The following chart outlines the number of defendants ordered to special programs through the probation department in 2024:

Drug Screens:

The Court continues to partner with Tuscarawas County Community Corrections and OhioAMS to provide enhanced drug testing services. Included in this partnership is a random daily telephone call-in service. Defendants who are subject to random drug testing must call in daily to see if they have been selected to test and must appear to test that same day within a short time frame. In 2024, **3,016** urine and oral fluid drug tests were administered between the probation office and OhioAMS testing office.

\$117,039.60 was received in Probation Grants:

New Philadelphia Municipal Recovery Court:

The New Philadelphia Municipal Recovery Court was established and originally certified by the Ohio Supreme Court Commission on Specialized Dockets in September 2015. In 2024, the program was recertified through 2026. The Recovery Court focuses on defendants who have been charged with a misdemeanor offense directly or indirectly related to, or resulting from, substance dependence.

The Recovery Court program is designed to hold individuals accountable to their families and society, restore families, enhance public safety by reducing criminal and drug related activity, reduce jail and law enforcement costs to the taxpayers, and provide an opportunity for drug dependent individuals to become sober, positive, and contributing members of our community. The program incorporates medication assisted treatment, inpatient or intensive outpatient

therapies, sober support groups including AA/NA, mentor and peer support, community involvement and other best practices for addiction treatment as approved and adopted by the National Association of Drug Court Professionals.

As a result of obtaining Specialized Docket Certification, the Court was also able to apply for and receive a grant from the Ohio Department of Mental Health and Addiction Services in the amount of **\$68,250.00** over two years to offset payroll costs of our Chief Probation Officer, who is also our Specialized Docket Coordinator.

In 2024, **9** individuals were referred to The New Philadelphia Municipal Recovery Court. **Nine** participants successfully graduated, and **5** were terminated as unsuccessful. As of December 31, 2024, there were **12** active participants.

Forty-Five individuals have successfully graduated from the program since inception. Of those, **75%** have not had a new criminal or alcohol/drug related offense within two years of graduation.

Addiction Treatment Program (ATP) Recovery Supports and Treatment Services funds through an Ohio Department of Mental Health and Addiction Services grant, administered by the ADAMHS Board of Tuscarawas and Carroll Counties, were used to improve treatment services for program recipients. The Court received an additional **\$2,908.00** in 2024 in Addiction Treatment Program (ATP) Recovery Supports and Treatment Services funds to help cover administrative expenses of the specialized docket.

The Court also received a grant in the amount of **\$10,881.60** from the ADAMHS Board to offset the cost of drug testing supplies for those participating in Recovery Court and other probationers who are enrolled in the ADAHMS Board system of care.

Since December of 2021, the Court, along with The Tuscarawas County Common Pleas Court, partnered with Opportunities for Ohioans with Disabilities (OOD) to provide the Jobs for Recovery Program. OOD Jobs for Recovery provides employment assistance to individuals with substance use disorders and/or mental health disabilities. The courts received two full-time, dedicated, OOD staff who worked alongside the courts' treatment providers for the specialized dockets and probation departments. These staff members attended treatment team meetings and court proceedings to ensure rapid engagement of each participant in career counseling, job placement, and retention services. They also helped address employment barriers, such as transportation and work clothes.

In 2024, 9 participants from the program were enrolled with OOD for employment services. Twelve participants successfully completed the program, while 4 continue to receive services.

Pretrial Supervision Program:

The Court has utilized Pretrial Supervision to closely supervise certain defendants while they await trial. In 2024, **416** screenings were conducted, and **299** defendants were referred to Pretrial Supervision.

To increase pretrial supervision services and further reduce incarceration costs, the Court, has received a grant since 2016 through the Ohio Department of Rehabilitation and Corrections, Bureau of Community Sanctions. The Court received a renewal for 2 years in 2023, receiving \$68,250.00 in 2023 and \$68,250.00 in 2024. The grant was used to hire an additional Probation officer and to pay for electronic monitoring of defendants. In 2024, **7** defendants wore GPS location anklets for a total of **129** days, and **42** defendants wore alcohol monitoring anklets for a total of **693** days.

Personal and Family Counseling Services, an Ohio Guidestone provider, renewed a grant called P.R.O.P.S. (Pre-Release Outreach and Personal Support), which assigns a case-manager to the New Philadelphia Municipal Court to provide case-management services to those in the Pretrial Supervision Program. The P.R.O.P.S. program began in October 2017. In 2024, **214** individuals on pretrial supervision received case management services and were scheduled for mental health and/or substance abuse services within 3 days of release from jail. **87%** of those individuals remain compliant with treatment and supervision. This is a vital service which has contributed to the success of the Pretrial Supervision Program.

In 2023, **94%** of defendants in the Pretrial Program successfully completed supervision and treatment.

Non-Probation Community Service:

Some non-violent offenders are not required to serve a term of probation but are given community service as part of their sentence. Leslie Miller, Chief Probation Officer, also serves as the compliance officer for these offenders. In 2024, **419** defendants were ordered to complete **10,781** hours of community service.

Inmate Work Program:

Sixty-Five defendants were assigned to serve **304** days on the Inmate Work Program in lieu of jail. This number includes defendants on probation and not ordered to probation supervision. This program results in lower inmate housing costs at the jail and the collection of a significant amount of trash and recyclables from our highways. **At an average cost of \$114.52 per day, the cost to the Tuscarawas County taxpayers would have been \$34,814.08 if those defendants had served jail.**

Municipal Court Work Program:

The Court continues to operate the Municipal Court Work Program. Originally partnered with the New Philadelphia Service Director's Office, the program added the City of Dover to the program in 2023. Non-violent defendants can be sentenced to the program in lieu of jail days to perform general clean-up and seasonal tasks in the New Philadelphia downtown area, as well as Tuscora Park, Dover Park, Dover Burial Park, and other public facilities owned or maintained by the cities. The Court continued the program during the pandemic as most work was outdoors, and participants adhered to hygiene and social distancing policies. In 2024, **154** defendants were ordered to serve

a total of **705** days on the work program. **If those days had been served in jail, the cost to the Tuscarawas County taxpayers would have been \$80,736.00.**

Court Security/Bailiffs

Matt Henry is the Chief Bailiff/Chief Court Security Officer. He is assisted by Bailiffs **Joe Reiger, Rick McCoy, and part-time/substitute bailiffs Dave Scott, and Terry Warner.** The bailiffs assist in the courtrooms, serve subpoenas and other process (including evictions), and provide security throughout the building. All of our bailiffs are former or current law enforcement officers and maintain their annual firearm certification qualifications through the New Philadelphia Police Department.

Process Serving Data 2024:

Month	Income Tax	Notice Hearings	Evictions	Subpoenas	Debtor Exams	Writs	Misc.	Fail serves
Jan.	0	2	15	114	0	4	3	1
Feb.	0	3	12	118	0	0	4	5
March	0	0	11	96	0	2	0	7
April	0	0	12	83	0	1	3	4
May	0	1	18	78	0	0	2	4
June	0	1	12	61	0	0	2	4
July	0	0	25	71	0	2	3	7
Aug.	0	5	19	74	0	2	7	5
Sept.	0	0	25	101	0	6	2	14
Oct.	0	1	16	86	0	3	4	3
Nov.	0	0	15	61	0	1	1	6
Dec.	0	0	12	50	0	1	0	2
Total	0	13	192	993	0	22	31	62 x 3 =186*

* Fail serve number of 62 is actually 186 as each attempt was made three times.

Our bailiffs spent 362 hours serving documents as required by law. They drove 5,653 miles in 2024.

Security Log Retention Data 2024:

All persons entering the building are subject to security screening. No items had to be confiscated from persons entering the building in 2024.

Conclusion

This Annual Report was prepared by Judge Nanette DeGarmo VonAllman and Court Administrator Judith Dzigiel. Probation information was prepared by Chief Probation Officer Leslie Miller. Security/Bailiff information was prepared by Chief Bailiff Matt Henry. The balance sheet and case statistical information were prepared by Clerk Julie Stamets and Bookkeeper Michele Green. This Report was printed and assembled in-house.
